Placitas Chamber Member News!

From Our Chamber President - We Need Your Help

As we move into the month of March, the Chamber board is asking for your help in several different areas. Volunteers are needed for:

- **Welcome To Placitas** sign committee needs additional members
- **"Sunday by the drink liquor sales"** - Blades' Bistro needs our help and support with this strange law that affects them and will even more so this year with major holidays occurring on Sunday.
- The quarterly **Meet&Greet for April** needs a host location - this is a great opportunity to have the chamber at your business location
- **Placitas Appreciation Day** volunteers for planning committee are needed

If you are interested in volunteering your time to help grow the chamber, please email [Jennise](#) with your offer, thoughts, and ideas, or give her a call at 505-331-2288.

And please take a moment to complete a [business profile form](#) to enhance your business listing on the Member page of the chamber website. Email the completed form with up to three images of you or your business to the [chamber webmaster](#) for publishing.

Placitas Chamber Attends the 2017

Chamber Legislative Reception

On January 23rd, Wendy Salazar and Sandy Poling attended the annual Chamber Legislative Reception in Santa Fe, the largest legislative networking event of the year. This event is attended by chambers of commerce, business advocacy organizations and community partners. Sandy reports that there were "a ton of booths" from various NM chambers, and that the event offered an opportunity to connect with other chambers, who offered their help and support to our chamber.
