Integrity, Competence, Caring.... qualities most important to me professionally and personally. I was raised with a hard work ethic, diligence and high moral standards. I have called New Mexico and Placitas home since 1997. What I love about being a Realtor is meeting and working with people from all different locations and walks of life. I am determined to make the process of building the home of your dreams, buying or selling, as easy and enjoyable as possible. This is why I trained to be an Accredited Buyer's Representative and Luxury Home Specialist.

Buying or Building...
I've got You Covered!

Testimonials:

Mindy exceeded all of our expectations, she used all marketing avenues available to her to market our home. We were especially impressed with the individual website she used to market the area.
