To Scrap to Sculpture, crafting eclectic, fun and functional one-of-a-kind recycled metal & mixed media art and sculpture.

Artist Sal Gullo draws upon the natural environment, plants and creatures of New Mexico, as well as, his imagination to create unusual pieces that can be displayed indoors or out.

Sal also designs, crafts and installs beautiful, functional custom tabletop or floor lamps; metal gates to enhance your entryway or courtyard. He will custom design and build for you or with you; or will build from your own design. Commissions are welcomed - call or email for an appointment to discuss your ideas.
